It seems but proper that previous sanction of Govt should have been obtained before committing itself to such expenditure for orders

6/ The question of sanctioning the initial expenditure of Rs 6000/- may perhaps be sanctioned in the first instance, as the matter appears to be an urgent one - The question of granting an allowance of Rs 25/- pm to the Hd: Accountant may be considered separately as such an allowances does not appear to have been sanctioned in any such case This requires examination

With reference the correspondence ending with to your letter No. A1 £5 391/47-4 dated the ~~10th July~~ 1st Oct 1948, I am directed to state that a sum of Rs 6,000 has been sanctioned by Govt in GO No L1781-31 ML 71-48-4 dated the 23rd August 1948 towards the initial expenditure in connection with the starting of the Municipal High Schools in question It is not clear from your letter ~~in~~ in regard to subject ~~whether a High School Committee has been formed~~

A lot of expenditure, both of a
recurring and non-recurring
nature is involved in this case
and as such it would have
been proper if previous sanction
of Government had been obtained
to the proposal before Committing
the Mlty to such an expenditure
and rushing through the Proposal
at the fag end of the year 1947-48 and
before the budget of the Mlty for
1948-49 is settled.
